

touted as the future of healthcare, is happening all over the industry—from Medicare, to private insurers like Aetna and Blue Cross Blue Shield, to providers like Partners HealthCare and Trinity Health—and the CVS-Aetna merger will only accelerate it¹⁰. So, even though the CVS-Aetna merger increases market concentration and raises the specter of inflated prices, we should watch how the innovations that arise from a more value-based care model might change the health care industry in the future.
