# WORKER HEALTH & SAFETY SPECIAL ISSUE CALL FOR SUBMISSIONS

2020 marks the 50th year for Occupational Safety & Health Act. The passage of the OSH Act and creation of Occupational Health & Safety Administration has saved thousands of worker lives and prevented countless injuries.

To commemorate this occasion, we are launching a Special Edition on occupational health equity. Topics include, but not limited to:

- Occupational health equity
- COVID-19 and worker health & safety
- Information technology and worker health & safety
- Qualitative research and practice related to worker health & safety
- Political economy and labor rights
- Farmworkers' health and safety
- Worker health & safety-related applied research and intervention pilot testing
- Evidence-based commentaries on worker health & safety

**HPHR will be accepting submissions for this call until Friday, March 5, 2021.**
